UNVACCINATED STUDENT WILL TEST COLLEGE RULE

California Student Who Was Debarred From University of That State Because He Had Not Been "Scraped," Asks Court for Writ of Mandate

BERKELEY, Jan. 22.—The University of California's ruling, debaring unvaccinated students, is to be tested in the courts.
Alan F. Williams of Monrovia, Cal., is the petitioner in a document filed asking a writ of mandate to compel the university officials to admit him. Williams, upon entering the college of engineering last fall was allowed to proceed with his work after filing an affidavit that he had no contagious diseases. When he returned for this semester's work, however, he was told that this affidavit would not procure his admission. The amended law on compulsory vaccination is that an affidavit such as Williams filed exempts the student from the necessity of being vaccinated, but the university authorities take the position that only common schools are affected by this amendment.

SIXTY DEGREES BELOW BUT GOLD HUNTERS ARE HOT

On Trail of Valuable Yellow Dust in New Diggings at Sixty-Mile, Which Draws Many Sourdoughs From Ledge Attractive Soil of Dawson

DAWSON, Yukon Territory, Jan. 22.—With the temperature 60 below zero, the stampede to the new gold diggings at Sixty Mile continues. Prospectors are getting to work, the low temperature being to their advantage, as the wet ground is frozen down to bed rock, making it easier to sink shafts. Machinery is being taken to the new camp, roadhouses are being opened every ten or twenty miles along the road from Dawson, and one store has already been established at Ledge City.

The gold commissioner has changed the name of the main south fork of Sixty Mile River, on which the discovery was made, to Matson Creek, after John Matson, the discoverer, who first prospected the ground fourteen years ago.

TOLLS ON PANAMA CANAL FAVORED BY COMMITTEE

Congressmen Who Investigated Say That Nation Needs Coin and Saving to Shipping by Short Route Will Overcome Output for Passage

WASHINGTON, D. C., Jan. 22.—With the return from a tour of the Panama canal zone of the house committee on interstate and foreign commerce came the death knell of no tolls through the big ditch for coastwise or foreign going American ships. The house committee is against it, almost to a man, and its members have returned with such convincing arguments in favor of tolls that there is very little hope of even a reduction of the toll for American ships.
Not only does the government need the money, which is the first consideration, but a second consideration is that the saving, especially to coastwise shipping will be so great by reason of increased facilities and the shorter route that the tolls will be comparatively nothing.

CHINESE COMING IN FAST EXCLUSION MAN ASSERTS

Secretary of League to Keep Orientals From American Soil Claims 30,000 Celestials in This Country as Merchants Are Not Such

FRESNO, Calif., Jan. 22.—That 20,000 Chinese are now in this country under false pretenses of being merchants was the charge made by A. E. Yoell, secretary of the Asiatic Exclusion League, in a report to the State Building Trades convention here.

Yoell asserted that 9,000 Chinese had arrived within the past year, and that Chinese immigration was rapidly increasing. He reported that except for Japanese women, who come as "picture brides," but are really here as common laborers, the Japanese have quit coming.

For protection of the white labor of the country, Yoell recommended the passage by congress of the Raker bill. He approved the adoption, also, of a memorial to congress, asking that steps be taken to deal with European immigration problems before the Panama canal shall be opened.

THRUST AT ROOSEVELT IS ACCORDED TO PRESIDENT

United Press Service
NEW HAVEN, Conn., Jan. 22.—At the Chamber of Commerce banquet President Taft said:

One of the worst things that can happen to a government is agitation leading to bringing about a feeling of uncertainty in the administration of justice. The hand lifted so, that is the hand seeking to give a dagger stroke to the heart of the nation.
The audience saw the veiled thrust at Roosevelt. Conference with Connecticut republicans and attendance at the Yale corporation concluded Taft's visit here.
